Tips for a Terrific Visit!

For in-person presentations:

- Option 1: A smart board or projector/screen with sound and with HDMI input so Vanessa can use her own computer
- Option 2: A computer with PowerPoint, a smart board/projector/screen with sound, and a remote or touch screen to advance slides
- Microphone for large groups/spaces

Tips to Make the Most of Our Visit:

1. Prepare the students (and teachers). There's nothing better than speaking to a group of students and staff who are excited about an author visit! Students will be more engaged and will ask great questions if they know something about the author and her books BEFORE the event day. Visiting Vanessa's website at www.vanessafortenberry.com, is a great place to start!
2. If there's a book sale, please participate. This is not a requirement, but so appreciated! It gives students a chance to own a personalized, signed book by a real-live author-illustrator that they actually met at their school!

Books would need to be ordered at least eight weeks in advance). Please contact Vanessa at: vfortenberry@powerofwords.com for information about a discount.

Funds tight? Check out: [35 Ways to Fund an Author Visit!](#) The site is somewhat dated, but it provides great info. And, for organizations in Georgia, check to see if you qualify for the [LEGG Grant](#).
